Science Diplomacy
Capital for Africa

Innovation, Science and Technology Africa (IST-Africa)

- Hosted by IST-Africa Partner Countries since 2006.
- The IST-Africa Conference supports Information Society, Innovation and ICT aspects of the Africa-EU Strategic Partnership
- Senior representatives from leading commercial, government and research organisations from Europe, Africa and beyond, discuss ICT related policy issues and share knowledge, experience, lessons learnt and good practices

HOST CITY

The City of Tshwane is located 50km from OR Tambo International Airport and is connected to the airport by the Gautrain rapid rail link. Tshwane consists of Pretoria and surrounding areas

IST-Africa 2023

- Will be held as a physical in-person event in CSIR International Conference Centre, Pretoria, South Africa from 31 May to 02 June 2023.
- Focus on International Research, Innovation and Policy Cooperation, fostering greater coordination of ICT-related research and innovation activities;
- Knowledge sharing, capacity building and skills transfer between IST-Africa Partner Countries;
- Strengthening ICT-related research and innovation linkages, increasing awareness of research and innovation capacity and cooperation opportunities, and supporting mutually beneficial collaboration;
- Collaborative Open Innovation, ICT-enabled Entrepreneurship (including Social Entrepreneurship) and Global Development ;
- Africa - EU Strategic Partnership (ICT-enabled Research and Innovation supporting Sustainable Development); and
- IST-Africa supports Innovation, Science and Technology aspects of the Africa-EU Strategic Partnership and the Science, Technology and Innovation Strategy for Africa (STISA-2024).
